Call a Public Hearing: Comprehensive Zoning Ordinance (ZA09-0004)

Owner(s): City of Frisco

DESCRIPTION:

A request to call a public hearing to amend the Comprehensive Zoning Ordinance pertaining to regulations for alcohol sales.

REMARKS:

On May 9, 2009, Denton County voters approved a local option to allow the package sale of liquor that includes locations within the City of Frisco. Currently, the Zoning Ordinance does not have any regulations pertaining to the sale of package liquor and must be amended to accommodate these uses. The City Attorney's office has prepared an amendment to the Zoning Ordinance to be brought forward to the Planning & Zoning Commission and City Council for consideration.

RECOMMENDATION:

The Planning & Zoning Commission call a public hearing to consider amending the Comprehensive Zoning Ordinance.
